

OPPA MINUTES – Annual Meeting
August 15, 2015
Held at the Knowlton House, Sunapee

Meeting was called to order at 2:10pm

There were 15 people in attendance

Gerry first thanked Alice and Lynn Snow for the invitations to our annual meeting

Gerry also wanted to thank Kurt France for all his efforts in the lake clean up.

Gerry introduced June Fitcher who continued her presentation on “The beginnings of the Lake Sunapee and Otter Pond area.” A presentation of a gift from Stonewall Kitchen was given to June.

There are 3 more cyno bacteria tests to be done on the water and Gerry handed out the most recent water report.

Secretary’s Report was read and accepted by Bill Stockwell and second by George Snow.

Treasurer’s Report was read and accepted by Bill Stockwell and second by George Snow.

New Business- Gerry reminded people to check with the town for permits for any changes to your property as the town can override if more stringent than state permits. Kurt France and Nancy Dickgiesser suggested to putting a pamphlet together for the renters on OPPA’s suggestions – such as cleaning boats,

kayaks, canoes before putting them in the pond and not feeding water fowl. Iain asked how do we clean the boats properly Gerry said this is a question for June- answer was wash, dry and look for any thing on the boats.

Gerry also mentioned he has reserved the Knowlton House for meetings through 2017 but this could be extended. Also he suggested that we invite June to come back and give the final part of her talk "The beginnings of The Lake Sunapee and Otter Pond Area."

Bill Stockwell motioned to adjourn meeting at 3:25pm and George Snow second it.
